Parish Council Vacancy

Chris Snellock has recently stepped down from the Parish Council because of pressure of work and the Council would like to thank him for his valuable contribution over the last four years.

There is therefore now a vacancy for a new Councillor and this is an ideal opportunity for anyone who would like to take more part in village life – and perhaps a good way for someone new to Stinchcombe to become involved.

The response to Covid 19 in the village has been amazing with 35 people signing up to “do their bit” and it’s very encouraging to know that there is still such a community spirit here – is our next Parish Councillor in that group?

Parish Council Meetings

The Parish Council will not now be holding the advertised Parish Assembly on May 13th or the AGM on May 27th

Walking Around Stinchcombe

In the present circumstances, some exercise is essential for everyone’s physical and mental health, as well of course for that of our dogs, and we are very lucky to be surrounded by open space and to have a range of local footpaths to enjoy.
