Stinchcombe Together

You may need help over the coming months. We are here for you. – Stinchcombe Together

---

Living the new way

I just can’t understand the crowd mentality that we have.

Coronavirus Update

If today’s figures for UK infections of up 407 prove to be right, it means the Government has completely lost control …

It makes me feel good….

It makes me feel good that already since yesterday 18 people have come forward to become Stinchcombe Saints

---

Saints Required.

Volunteers required, remember it won’t just be one section of the population self isolating,

---

Confused? Well I am…

I watched Boris tonight and I don’t know what it is, but the more I listen to him the less I understand. It’s like listening to Stanley Unwin.

Self Isolation over 70s – Could you help?

Could you Help? Pick up and deliver food, papers, post and whatever else?
