Sparkling Afternoon Tea

The ***Inner Wheel Club of Dursley*** are organising a '***Sparkling Afternoon Tea*** ' at Stinchcombe Village Hall at 2.30 on March 20th.

The tea is to support ***Rory's Well***, our local International charity based in Wotton.

Rory's Well work in Sierra Leone with remote subsistence communities, with very few ways of making a living and minimal resources. Much of what they had was destroyed during the 11 year Civil War, but what they still DO have is determination and
a well organised village democracy. We work holistically with these people to regenerate the village from basic needs to livelihoods and the environment.

Our speaker from the charity is ***Karen Binns***, co-founder of Rory's Well and is known to many in our area.

The tea, consisting of sandwiches, home-made scones and cakes will end with a glass of Prosecco.

Tickets are £12.50 .

Contact Maeve Aldridge 01453 542564 if you would like join us.
