Tyndale Arts 5-6 Oct 2024

Tyndale Arts is an annual art trail that brings together artists, makers and visitors in the vibrant town of Dursley. Every year in October, we host a weekend of exhibitions and events in multiple venues across town.

Launched in 2017, we've grown rapidly to become one of the most popular art trails in the region. We showcase the best of local talent and are passionate about connecting artists with the community and several Stinchcombe artists are taking part. Join us for our next event and experience the unique atmosphere of Tyndale Arts.

For full details of artists, venues and times, go to our website at ***www.tyndalearts.co.uk***
