Stinchcombe Bellringers

The Stinchcombe Band of Bellringers was reformed in 2008 after a period where there was no local Bellringers. The local bells are easy to ring and we now have a new ringing platform.

We ring the six bells of St Cyr's Church for all services and Weddings. At least once a month we ring a quarter peal. Practice nights are every Thursday at 7.30pm.

Everyone is welcome to come and try to ring the bells for themselves any Practice night.
