

Tithe Apportionment Map 1839

The image is a detail from Geoff Gwatkin's 1995 Reproduction of the original map.

The tithe apportionment data are available at:

353 and 353a belonged to John Mabbett, probably the grandfather rather than the father of Miss Mary Mabbett.

353a is occupied by John Mabbett himself but is described as yard and buildings rather than a house.

353 is owned by John Mabbett and is in the occupation of John Williams. John Mabbett also owns the houses at 347, 348, 349, 350, 351, 352, 356, 357 and 358.
